## EDUCATION

University of Wisconsin-Madison

B.S. Materials Science and Engineering

Certificates: Textile Science &

Material Culture

Expected Graduation Fall 2016

University of Queensland, St. Lucia

International Engineering Studies & Programs

## ACTIVITIES & LEADERSHIP

UW-Madison Club Tennis Team Captain

Alpha Phi Omega Apparel Design Director

Material Advantage Member

Appleton Makerspace Member

Kimberly-Clark Focus Asia Event Planner

Kimberly-Clark Co-op/Intern Network Member  
and Website Designer

## SKILLS

3D Printing

HTML+CSS

Adobe Creative Suite

Arduino

MATLAB

Maple

Balsamiq

Invision

Usability Testing

Storyboarding

Contextual Inquiry

Personas

## WISCONSIN HUMAN-COMPUTER INTERACTION LABORATORY

UNDERGRADUATE RESEARCHER

January 2016 - present

Conducting a scenario-based study to investigate 3D printing various materials for the physical design of a household robot. Participating in the Undergraduate HCI Reading Group and weekly lab meetings. Assisting with usability testing for a telepresence robot. Volunteered for the Object Oriented User Experience Workshop and the Better By Design Conference.

## KIMBERLY-CLARK CORPORATION

ENGINEERING CO-OP

May 2015 - December 2016

Troubleshoot mechanical testing software and performed software usability testing. Established vendor relationships, designed experiments, analyzed data, and published technical documents for the material development team.
